

Bellaire High School Dance Team Auditions

Many of you have heard of the Bellaire Belles from friends and sisters. We would like to extend a special invitation to you.

The Belles dance team performs at all of the football games, a few basketball games, competitions, and other special events. We are one of the top teams in HISD and receive many awards at competitions. Each new Belle is taught a variety of dances, such as pom, kick, military, novelty, prop, and jazz, as well as a dance technique. All Belles participate in competitions and our annual spring show during the spring semester.

The main purpose of the Belles is to serve our school in every way possible: dancing at games, sponsoring activities, and taking part in parades. During football season Junior Varsity Belles will be required to attend morning practices when needed and one day a week after school. Competition season (spring) semester they will practice in the morning two to three days a week in January and February. Each year Belles will receive $\frac{1}{2}$ P.E. credit and $\frac{1}{2}$ fine arts credit. A first year Belle must invest approx \$600.00 in uniforms that are worn frequently to school as well as to games throughout the year. **Also**, to help with other dance expenses, **Belles are required to participate in all fundraising activities held during the fall semester. Fundraising amount is \$500.00 per Belle.**

On audition dates, the applicants will be taught a dance and will be asked to demonstrate technical ability for the dance elements required. The tryouts should last approximately two hours or less. Candidates should wear appropriate dance attire (see below). Keep in mind that there will be stretching, dancing, and kicking during these sessions. Results will be posted (by audition #'s) on the belle website.
