

Bellaire High School Dance Team Auditions

Thank you for considering the Belles organization. The Belles dance team performs and practices all year. We perform a variety of dances, such as pom, kick, novelty, prop, and jazz. Belles participate in football games, competitions and our annual Spring Show among other events. The main purpose of the Belles is to serve our school.

Belles will be required to attend additional practices outside of school time as needed for participation. Morning Practice starts at 7AM and occasional meetings after school.

Each year Belles will receive ½ P.E. credit and ½ fine arts credit.

A first year Belle must invest approx. \$600.00 in personal uniforms that are used throughout the year.

The annual dues required per Belle is \$500.00.

This can be met by participating in fundraising activities held during the fall semester.

Applicants must be in good academic standing to be considered for the team.
